<b>Academic Success</b>	Get Crafty! Arts	<u><a href="#">Beehive Painting</a></u> If you've been getting a bunch of packages delivered to your house, use the bubble wrap and create some art! Cut out a sheet of bubble wrap roughly into the shape of a beehive and dip it into yellow paint, then stamp it onto a piece of white paper. Grab a sharpie and trace a border around your paint. Cut out a piece of brown paper into a half oval and glue it at the bottom of the hive to make a door. Draw or paint some bees buzzing around your hive, let the paint dry, and you're done! <a href="#">Click Here</a>
