Welcome!	Introduction	Daily Introduction from BGCC staff
Character and Citizenship	Leadership- Youth Activism	Want to be a youth activist? Here are some tips from young activist sharing their experiences organizing climate strikes and protests. Click Here
Health & Wellness	Health Care	We all sometimes may need to be reminded to look out for what makes us happy. This Happiness Jar will have you looking for the moments that brought a smile to your face. Click Here
Health & Wellness	Body Language	About 70% of communication is told through body language, before someone even speaks, we already have made assumptions of what they are like, just by the way they carry themselves. So Ms. Lauren provides 5 Do's and Don'ts that can help portray Confidence, Attractiveness and Respect. Click Here
