<b>Healthy Habits</b>	Health & Wellness	Can you shoot? This activity is a fun one so grab a piece of paper, a ruler and a small bucket. Start by crumpling your paper and placing the bucket 1 foot away from you. You will then try and throw your paper ball into the bucket. If you miss you will need to do 10 jumping jacks. If you make it, move the bucket another foot away. Keep going until you reach 10 feet away.
<b>Academic Success</b>	Educational	After homework time play Coconut Vowels. It's a fun language arts game that provides practice in spelling! Coconuts with partial words fall to the beach. Match the missing letters to the correct word coconut before it falls. <a href="#">Click Here</a>
