Academic Success	Education	<u>Teach me typing:</u> As we progress throughout our school years, more technology is used. This game will help us improve our typing skills. Click Here
Academic Success	Get Crafty! Arts	<u>Beehive painting</u> If you've been getting a bunch of packages delivered to your house, use the bubblewrap and create some art! Cut out a sheet of bubble wrap roughly into the shape of a beehive and dip it into yellow paint, then stamp it onto a piece of white paper. Grab a sharpie and trace a border around your paint. Cut out a piece of brown paper into a half oval and glue it at the bottom of the hive to make a door. Draw or paint some bees buzzing around your hive, let the paint dry, and you're done! Click Here
