

## Event Protocol

**At Boys & Girls Clubs of Carson, safety is our #1 priority. That commitment extends to our kids' fanbase as well** – we are going above and beyond CDC and L.A. County Dept. of Public Health requirements to ensure our supporters can celebrate safely and in style.

**Facility Logistics:** Blue Door Bash will take place outdoors, though guests will access the hosted cocktail reception, dinner program, and restrooms via indoor passageways. The gala is not a mega-event and, as of this publication date, no concurrent events with other groups are scheduled at the stadium.

**Food and Beverage Service:** The hosted cocktail reception/silent auction will include tray-passed hors d'oeuvres rather than buffet style, and the meal will be individually plated.

**COVID-19 Vaccination Requirement:** All guests must be fully vaccinated against COVID-19 and provide proof of vaccination. Acceptable proof of vaccination includes showing your physical vaccine card upon entry, providing a clear photo of the vaccine card in advance or upon entry, or showing a digital record of COVID-19 vaccination upon entry. Access your digital vaccine record through the State of California Department of Public Health can be obtained at <https://myvaccinerecord.cdph.ca.gov>.

**Mask Requirement:** All guests are required to wear masks when not actively eating or drinking. We will have masks available for your convenience.

**Symptom Screening:** All guests will be required to complete a questionnaire regarding COVID-19 symptoms upon arrival at the venue. Guests exhibiting symptoms in the past 72 hours prior to the event are requested to remain at home and enjoy the event virtually.

**Sanitization:** Each guest will be provided with individual hand sanitizers and sanitizing stations will be placed throughout the venue.

**Can't make it to the Blue Door Bash in-person? No worries!** We will be live-streaming the event for supporters who are unable to attend. The viewing link will be shared on October 13 via email and social media.

**We appreciate you taking the time to read through these protocols and we eagerly look forward to celebrating with you** on Thursday October 14. Please contact us at [info@bgccarson.org](mailto:info@bgccarson.org) or 310-522-0500 with any questions.
