

Impact Report 2020-21

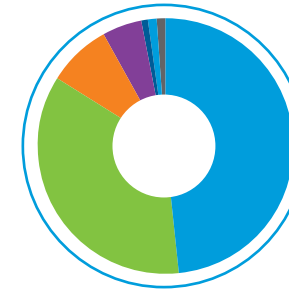

Our Commitment to Inclusion

We believe every kid has what it takes.

The mission and core beliefs of Boys & Girls Clubs fuel our commitment to promoting safe, positive and inclusive environments for all kids. Boys & Girls Clubs of Carson supports all youth and teens – of every race, ethnicity, gender, gender expression, sexual orientation, ability, religion and socio-economic status – in reaching their full potential.

Our 2020-21 Focus

To further dismantle barriers faced by Club kids, we partnered with The Aspire Group to conduct an internal and external diversity, equity, and inclusion assessment and to provide staff education and trainings. A DEI Committee of staff, board members, and community leaders guides enhancement to policies, procedures, and programming with established values of transparency, commitment, respect, empathy, and accountability.

“Every morning I drop off Sarayah, my 7-year-old, at the Clubhouse on my way to work. I’m a nurse at the hospital, providing care for COVID-19 patients. Knowing that my daughter is safe, getting help with her schoolwork, and having fun helps me go to work with confidence.”
